Welcome to the Austin Society of Karate

Thank you for choosing the Austin Society of Karate for your child's karate training! The ASK have been teaching children (and adults) in the Austin area since 1983 and is now one of the largest karate organizations in the Austin area. We are committed to teaching every child life long skills, such as self-confidence, self-esteem, and self-defense, as well as, quality martial arts training through our special curriculum developed for American Karate in 1970.

The Austin Society of Karate currently offers classes in conjunction with the Austin Parks and Recreation department, Round Rock Parks and Recreation department and Lockhart ISD. A complete list of classes can be found on our website (www.austinsocietyofkarate.com).

Many karate organizations require long-term, often expensive contracts (usually over $100 monthly), but we believe in keeping cost reasonable for our students. We pride ourselves for making martial arts available and accessible to every family, and every child. To this end, we work to keep your expenses minimal, without sacrificing the quality of your child's training. ASK classes train year-round, in 4 quarters/sessions. Your are free to participate in one or all of the sessions each year with no contract, making scheduling your child in other sports and activities simpler. Your child will be introduced to new techniques/skills each session, then will be expected to attend a tournament before they rank up to the next belt. Ranking occurs each session/quarter.

Tuition at most ASK locations range from $70-$100 per session. Some school districts set the pricing for our students. Each session is 9-12 weeks long, depending on holidays, etc. The average tuition for the year is $280-400. As a beginning student, the only things you need to purchase are a black, lightweight uniform, protective mouthpiece, and cups and supporters for boys for use in class and tournaments. All of these items can be purchased through your instructor or from a sporting goods store. White and Yellow Belt students will be provided with sparring gear for use in class and at tournaments. When your child reaches orange belt we require them to have their own foot gear for sparring. At Green Belt, students are required to have hand gear, foot gear, head gear and a face shield.
